Mr. Jay Kapolka
Upper Saranac Lake Association, Inc.
685 Bartlett Carry Road
Tupper Lake, NY 12986

Dear Mr. Kapolka,

We cannot thank you enough for your recent contribution of \$1,000 to assist in the creation of the Regional Rapid Response Laboratory - a collaboration between Adirondack Health and Trudeau Institute.

The rapid testing center at Adirondack Medical Center will feature a state-of-the-art testing instrumentation in newly renovated and expanded laboratory space which will provide timely test results to help safeguard the North Country from the spread COVID-19 and other infectious diseases.

Your generosity is deeply appreciated and will keep our region safe and open for business during this pandemic and beyond.

Sincerely,

Hannah Hanford, Executive Director
Adirondack Health Foundation

We are so grateful
for your investment
in this special project -
Thank you!

We deeply thankful for your belief in the importance of the work Adirondack Health and Trudeau Institute are doing together to benefit all who love being in the Adirondacks.
